The following changes in canneries occurred:

The Lighthouse Canning Co. sold out to Hillery*Scott Co.

The Clark*Graham Co. is now the Eyak River Packing Co.

The Abercrombie Packing Co. is now F. H. Madden.

The Orca and Seldovia canneries of the Northwestern Fisheries Co. were not operated during the year.

The Pioneer Packing Co. and the Frankiln Packing Co. are now listed among the salmon canners.

Almost nothing in the way of salmon pickling is to be reported this season. In the Prince William Sound district last year, several small salteries were operated but there was none this year.

It is also probable that there will be fewer herring packers this year than last.

So far as is known to me, there is no change in the list of cod operators.

The Beluga Whaling Co. leased its plant on Beluga River to J. A. Magill & Co.

Inasmuch as the Hillery*Scott Co. has its home office in Cordova, I will supply it with blanks for statistical report. I will also mail a set to O. L. Grimes at Kodiak. The Pinnacle Rock Packing Co. has been supplied as have also a few independent trap operators, as shown by the inclosed receipts.

Assistant Agent.
